

Captivate kicked off the year with the vision that God was calling everyone to be "All In" - on the Church, on Family, on Community. Some of you have a sense that God is calling you further in, your heart is stirred to take the next step, but there is a lie you believe, "I'm not qualified." We have a conviction that God does not call the equipped, but rather equips the called.

Coming this Fall, Captivate is excited to announce the launch of a new ministry training men and women as Lay Pastors to do the work of ministry! This ministry aims to teach, model, mentor, and release called people to fulfill their unique Kingdom purpose.

For those desiring to go deeper in their walk with God, understand the Bible, recognize God's voice, and discern the spiritual gifts entrusted to them, this may be the answer to the prayer, "God, what is my next step?"

What is the commitment? 10 month commitment of instruction and guidance, together in a cohort of men and women. Bi-weekly classroom instruction, assigned reading, impartation from anointed men and women. Strategic and unique opportunities to use your gifting here at Captivate- inner healing, prayer team, men's & women's ministry, youth, evangelism, care ministry, missions, and more. This will be a lecture and lab model with instruction and real world practical application.

The field is ready for harvest, but the laborers are few. Many are called and few are chosen. God is calling—are you ready to say yes?
