

END SPIRITUAL LONELINESS

Series: End Spiritual Loneliness

This week we launched, not just a sermon series, but a family project for all of us to rally around to end spiritual loneliness in our community. We have asked our entire community to pray and seek the Lord in making a spiritual decision in what each of us is to give to this vision.

Weekly Devotional:

9/20 - Deliberate with God - Genesis 32:23-30 - God's not afraid of us wrestling with him in prayer when it comes to big decisions in our lives. What does it look like for you to make space to deliberate with God over a big decision such as what to give?

9/21 - Discover God's Purpose - Jeremiah 1:4-10 - Like with Jeremiah, God has great plans and purposes he has laid out for each of us long before this moment. What great purpose might be God calling you to or to be a part of in this season?

9/22 - Discuss with Others - Proverbs 15:20-25 - We are often lost without the wise counsel God has set around our lives. Who is your wise and godly counsel? Ask them about the purpose and sacrifices they might see for your life at this time.

9/23 - Define the Sacrifice - Acts 2:42-47 - One of the secrets of life is that joy and generosity go together. As you pray and seek the Lord, what do you sense God calling you to sacrifice and give to him?

9/24 - Decide what to Give - 2 Corinthians 9:6-12 - Giving begins with making a decision. As we get closer to giving collectively as a church, begin to pray over exact numbers and commitments to make.

Challenge:

Invite. Continue to pray and ask God to speak to you about making a commitment to give to the project. We will receive giving and commitments to the project over the weekends of Oct. 3rd + 10th.
