

THE FOUR PLACES OF A PERSON

Sunday, January 9 2022

There are four key areas of our lives that we should all seek to please God in. Aligning each of these places with God's will and plan in our life is the best way to prepare ourselves for every opportunity, curveball, and blessing that will come in 2022.

Weekly Devotional & Prayer Guide:

1/10 - 21 Day Fast - Matthew 6:1-8 - Write out what you plan on fasting as well as key lessons on fasting for you from this passage. What do you hope to gain in these 21 days? How do you hope it will bless God?

Pray for healing over anyone who is sick right now.

1/11 - The Dark Room - 1 Samuel 16:1-11 - What about David's story is relatable to you? What does it take to endure pain like this and yet come out on the other side even more faithful to God?

Pray for forgiveness in our hearts toward anyone who has hurt us.

1/12 - The Winner's Circle - 1 Corinthians 9:19-25 - What is Paul's prize in life and how does his prize motivate or challenge you to define yours?

Pray for right motivations in our hearts this year to achieve what and go where Jesus calls us to.

1/13 - The Wisdom Table - Mark 2:1-12 - Where would the man on the mat be without his people? Where could you go this year with the right people around you? What do you believe you need to look for in a mentor for this season of your life?

Pray over families and singles in our church to grow stronger in their faith in this season.

1/14 - The Secret Place - Luke 4:38-44 - Jesus shows us how he's able to heal many and make right decisions, by meeting with the Father in the secret place. What does this look like for you and how can your "secret place" time with Jesus be enhanced this year?

Challenge:

Write it Down. Make it Plain. Write out your plan this year, the pain you will let God heal, the prize you will chase, the people who will help you get there, and the preparation you plan on committing to, to get there. (We are 10x more likely to do something we write down!)
